

Growing together as the children of God

# Hickory Christian School

A Ministry of the Hickory United Evangelical Presbyterian Church

January 4, 2021

Dear Parents,

I would like to introduce our new teacher Miss Caitlin. Our 4 year-old Pre-K students have already met her, as she was one of our subs this year. Below is Caitlin's Bio.

My name is Caitlin Hamilton. I graduated from Fort Cherry School District in 2015 and Edinboro University in May 2019 with a Bachelor's Degree in Music Education. I did my student teaching at General Mclane (K-5) and Cambridge Springs (K-12).

I've been a member of Hickory United EPC for many years and have served on the adult praise team, youth praise team, and tech team. I've also volunteered as VBS staff, initiated a Young Adults program and a multigenerational boom whacking group.

I currently live in Avella just 10 minutes away from the preschool with my three cats. I enjoy playing and teaching music, singing and dancing, learning new technology, watching movies, sitting around campfires, and playing board games.

I'm very excited to begin working at the Hickory Preschool. I can't wait to get to know the staff more and meet all the students and parents.

We are grateful for Caitlin, and we cannot wait to see our students in person again soon!

Working together,

Maria Moore, Director
