

November 2020 Updates from the LaCroix New Testament Mission

Thank you for financing the food distribution! A large truck arrived filled with rice, cornmeal and beans for the mission. All thanks to you supporters. Many of our students have to go to sleep with just the food eaten at school during the school day. Food distributions are so important. Once again thank you for your big heart, thank you for your compassionate spirit, thank you for your generosity. You cannot imagine how precious you are to the Lacroix New Testament Mission and Lacroix community.

The schools are doing an amazing job. The Ministry of National Education has just published the full results of the 9th graders fundamental exams of the 2019-2020 academic year for the country. **Schools of the mission had success with 37 kids admitted out of 38 participants!** Once again we praise the Lord for that. It was a very short school year with 1st a country in turmoil and 2nd the Coronavirus pandemic. Thank you for all your effort you make to help us in this ministry. Please continue to join us to change the future for thousands of kids and hundreds of young adults.

Insecurity is increasing. A gang leader in Port au Prince kidnapped two people. In a small city north of Port au prince called Montrouis, Pastor Jean François Louis, a church leader and his seven-month-pregnant wife were killed by heavily armed bandits.

It's really sad to see what's going on in the country right now. People die by shot of guns. Every day they murder people. They kidnap people and ask for large sums of US money. The country becomes unbearable.

Where is the police force? In this country we want to know at the moment who is responsible for what? It is like a ship without sailors, an airplane without pilots, a running car without driver. We are currently living in a mess, this is a total confusion in this country. So the secure situation become worse.

Please continue to pray for us in the ministry and for this country. Day after day it would seem no hope for this country. But I know God has a plan and a good plan, as He says:

“For I know the plans I have for you, declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11

Please pray for us.

- Peace over Haiti
- Prayer for pastors and spiritual leaders in the mission
- Prayer for fresh anointing
- Prayer for Spiritual awakening
- More finances for Church building construction

Thank you so much for being a part in this ministry. Thank you for your prayers and for helping financially. And for those who sponsor children, God bless you.

And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.
