

## NOVEMBER 2018

**PASTORAL SEARCH COMMITTEE UPDATE:** At our last meeting we nearly completed the Church Information Form that is required by the EPC to begin the search process. We plan to hand this document to the Session for their approval at their December meeting. After prayer and consideration of our own and the church's character traits; our strengths, weaknesses, and opportunities; and our future direction, we believe that our next Senior Pastor should have the following five characteristics/gifts/skills (not in priority order): (1) Leadership, (2) Preaching/teaching, (3) Compassion, (4) Administration, and (5) Pastoral care. We also firmly believe that God has already selected this person for us and we eagerly await His revelation to us and to that person. Again, continue to pray for the committee, especially our discernment of God's will, for our church family, and for that pastor and his/her family.
