

FEBRURAY 2019

PASTORAL SEARCH COMMITTEE UPDATE: As of February 26, we have received 14 applications for our Senior Pastor position. After careful review, discussion and prayer, we have decided to take the next step of making contact with two of the applicants; one additional one is on hold pending his discussions with another church. One applicant is new and has not been considered by the Search Committee. The remaining applicants, while qualified and gifted, have been removed from consideration as not being a good fit based on our five criteria: Leadership, Teaching/Preaching, Compassion, Administration, and Pastoral Care. Our next meeting will be March 11. Again, we ask that you continue to pray for us, for our congregation, and for the pastor and family that God is calling to us.
