

JANUARY 2019

PASTORAL SEARCH COMMITTEE UPDATE: At our January 14 meeting we discussed the five key character traits/skills/abilities that we desired in our Senior Pastor. These are: leadership, preaching/teaching, compassion, administration, and pastoral care. We also discussed what we thought would be some very desirable traits such as a sense of humor, We also would like to see a good Pastor/spouse ministry team. We then identified specific questions that we would like to ask each candidate. The formal search process began with the posting of our Church Information Form last week and we already have three applications. We expect many more in the next few weeks. We decided that our next meeting will be in two weeks (January 28). Soon we will begin meeting weekly.
